In person at the Garden Studio in Eureka

No prior knowledge of the Tarot or the Tree of Life is needed.

**Workshop Includes:** Introduction to the Tarot on the Tree of Life. The evolution of your year expressed in the Tree's structure as we draw cards connected to the Tree's Paths of Consciousness for each month of 2021. We will also explore your birth and soul Tarot cards for 2021 with the Tarot card for 2021, the *Hierophant*.

Included in price of the workshop is ongoing support for your process through out the year with monthly emails.

Expect a convivial gathering of like-minded souls, support for what you want to create in 2021 and a greater or new understanding of the Tarot and the Tree of Life.

Workshop dates will depend on sign-ups.
