My Joy is the exploration of the Tarot with others, that we, together, may discover our Paths of Light. It is my hope that as we All come more into our own Light that others will be attracted by its loving pull of possibility. In this way we all become agents of change. We can then take the responsibility of creating a new paradigm of Love, Peace and Abundance for All.

News: A lovely meditation came through for the New Moon Message this month. Listen to it on the MP3 I have provided.

And, oh, yeah, Happy Gregorian New Year! As far as I am concerned, it happened with Winter Solstice and there are 15 or so other calendars out there with a different date... But this is what we, in the western hemisphere, have mostly chosen to follow... In the Tarot world, we have moved from the year of the Emperor to the Hierophant. Could be an improvement on some levels but we are far from finished with this huge shift we are All in. (-:

Just finishing up massive New Year Readings and my Tarot classes are overflowing with persons from all over the place. Very exciting and expansive. Zoom does have its positives (-:

Our next celebration on the Celtic Wheel is Imbolc, the 'quickenning of the year.' We will be outside with a fire. If you have not been receiving the Celtic Wheel invites and are interested, let me know.

Until then: Be Well in Body and Spirit and...

Enjoy the New Moon Tribal Message for all of you in the Soul Collective of my email list.

I encourage you to use the questions I created from the New Moon Reading for your own Tarot reading.

Message for the New Moon of January 2021

Waiting to hear. Waiting to see. Sitting, not knowing what will be.
Waiting in lines. Waiting in homes. Waiting for what ?

Waiting to Be

What happens when you just Be in the waiting?

Presence

What happens when you relax into the moment,
with no sense of what will emerge next?

Meditation

Breathe breathing The breath of just Being...

What might you accomplish by just being... breathing....?

Fear arises What is this fear? Nothing will happen if I do not do something.

Who or what is the I? What can the I do?

Why must the I do something?

The I is afraid...

Of what? Afraid of missing something

But it is all here, right now, in this moment. You are not missing anything. It is all here

Notice the agitation of the mind

Its need to do, to plan, to control

Notice the peace that arises when just Being overtakes the mind.

It seems empty there without the thoughts

Spacious

Room for something to arise

Some idea the mind has not encountered before

Another way of Being...

Another way of responding...

A relaxed sense of enough...that in this moment, All is well.

When the thoughts come back, notice the lack of wellness...

Bring the mind, the I, back slowly.

Allow integration A soothing sense

An allowing, a waiting to see what needs to happen next
with no idea what that is...

Notice the fear that arises with this new way of Being...

Allow the Fear Integrate Be Love yourself in this process...

Love Fear Love Fear Love/Fear.....

New Moon Reading Questions

I ask what We, as a collective of souls, can learn from the message I received

Reading for the Tribe for the New Moon of January 2021

Card One

The collective mind of this email list... Waiting in our not knowing

Card Two Our Fear

Card Three Our Love

Card Four Integration of Our Love/Fear

Card One

**The collective mind of this email list...
Waiting in our not knowing**

The **Four of Disks/Pentacles** shows a time of stability that enables us to strengthen and ready ourselves for the Challenge we know is coming. Here within our walls, waiting, we mostly feel safe, secure within our moat of protection. But we know something is coming. We stand on the battlements of our castle walls watching for the hordes of what??? Notice that the drawbridge is down. We are not completely closed off. We know we must stay open to messengers of all sorts. We know we must stay open to the refugees of the coming apocalypse.

Card Two

Our Fear

The **Two of Wands** of the Thoth Tarot show two Tibetan dories. They symbolize the indestructible, irresistible force of Pure Divine Life Energy which destroys and creates. Tremendous opportunity is now available to us signaled by our Fear. For as the conduit of this tremendous force, we can choose how it will be directed. So, as we feel the fiery winds of change bear down upon us, we fear our ability to direct this transformative energy. Our old ideals, the who and what we thought we were, are being demolished before our eyes. This energy compels us to venture out beyond our castle walls and yes, we are afraid. We fear annihilation, the cleansing fire of transmutation...

Card Three Our Love

In the Thoth version of the **Seven of Swords**, you see in the center, the Ace of Swords, the Divine Cosmic Truth of Love.

As you can see, this Truth is under attack by the small thinking of humanity. How can we possibly Love those who would tear apart our democracy? How can we Love those who think so differently from us? There is despair here, confusion and doubt. But if we cleve to our center, we understand we are One. We understand we are not separate.

We understand the Divine Truth of the Ace of Swords: All is Sacred and Holy.

Card Four Integration of Our Love/Fear

The Prince/Knights of the Tarot represent the element of Air. They are thinkers, problem solvers who take direct action with the idealism of their element. Here we have the **Prince/Knight of Cups** taking direct action with Love. So, in the integration of our Love/Fear, we dive into transformation. We risk Love. We risk drowning our individual self to become One with the whole. We risk our separation for oneness in Love.

We now have all four elements with which to create our reality. The solidity and balance of the **Four of Disks/Pentacles as Earth** is our foundation. The pure Desire of **Fire, Two of Wands** to create with a very positive intent of transformation. The clarity of **Air, Seven of Swords**, actively trying to understand, to know the divine truth that we are all One. The Truth, that we are all frightened and must dive together into the **Water** of deep feeling, of Love that knows no bounds, **Prince /Knight of Cups**. The Love that would gather us all in its arms and dissolve us to our true Being.

**Now it's your turn.
Do this month's reading for yourself to see
where you, as an individual, can contribute to
the whole.**

As always I welcome your
ideas, questions and comments.
